Blue Ribbon Winners For The 2nd Consecutive Year

The 18th annual American Retreaders Conference and Show was held on April 19-21 in Louisville, Kentucky. This show, the "biggest and best yet", drew 62250 retreaders, dealers and visitors from countries throughout the world.

The highlight of this year's show was a retread contest in which various categories of retreads were judged by the A.R.A. Advisory Council with awards presented to the best-looking retreads.

Mr. Paul Clark, A.R.A. president, states that this year's contest was extremely difficult because of the keen competition among the retreaders, and also because of the large number of beautiful retreads sent to the conference.

Webb's Tire Company, in the tire business in Appomattox since 1948, was again a national winner of a "blue-ribbon" award for "60" series tires, and of a "red-ribbon" award for "70" series tires.

Martin L. Webb, President of the Company and a board member of the Virginia Tire Dealers and Retreaders Association for seven years, was presented the two awards and citations at the General Session of the Conference on Mon., April 21.

It was noted that Webb's Tire Company is the only tire dealer in the state of Virginia to win a first place retread award.
